After-Broadcast 30-second Advertising Spot Request

Following the radio broadcasts (Sentinel Radio) there is opportunity to give information about local events in the Christian Science community. The WSBC is making this time slot available to local Churches, Societies, and Organizations in 30-second blocks, at no cost.

To reserve a slot, please send in your request no later than Five (5) weeks in advance of the event date. A Committee focal will confirm the arrangements prior to airing.

Church/Society/Org: _____

Name and phone of focal (and email if available): _____

Event name/title/description: _____

Date/Time/Location: _____

Number of airings will be confirmed, but usually will include no more than two (2) weekly broadcast cycles.

For requests less than 5 weeks prior to the event, please call Bill Bruch at 206-510-2535, or email bbruch@windermere.com

Please include any flyer or other advertising materials available for your event, and mail to the above address; or email the requested info to: secretary@upliftwashington.org
